Dear Friends,

Welcome to our thirty-seventh season! We wish to thank our many friends and businesses in the community. The North Shore Pro Musica continues to make a major contribution to the cultural life of Long Island. We are proud of our main achievement: giving so many people the joys of chamber music.

Our program will continue to offer music from and beyond the standard repertoire. As is our tradition, we will combine well-known works with interesting contemporary compositions. Please visit our website for more details about our programs: www.northshorepromusica.org.

To mention a few highlights of the season: On March 5th we will present a Russian program, featuring the music of Mussorgsky's "Pictures at an Exhibition" accompanied by visuals of paintings from LIM's collection; the ever popular Woodwind Quintet concert on November 6th; and on April 9 we will present the hauntingly beautiful "Quartet for the End of Time" of Olivier Messiaen.

The North Shore Pro Musica has become an important regional institution, but like every cultural group in the country, it is a fragile entity. Our very existence depends on the support of our friends. Please consider making a tax-free donation so that we may continue to offer a wide diversity of concerts while maintaining our low ticket price.

Thank you for helping us bring our gift of music to the community. We look forward to seeing you at our concerts. A reminder: our first concert of the series is October 16 when we will present string quartets of Borodin and Mozart.

**Sincerely yours,
Ann Strong, President**
